

The CHAMBER

ALLEGANY COUNTY, MD

Executive Director

March has come so quickly and the 445th session of the General Assembly of Maryland has been intense, kicking off with a record number of pre-filed bills, and that trend continued through the third week of February. This year, we have taken a slightly new approach to legislation by joining the Labor & Employment workgroup through the Maryland Chamber, in addition to now being part of the Federation. This has allowed us to better gauge the direction certain bills are heading in and helped us to focus on key points within those bills as we craft our responses. A direct connection and real engagement with our state Chamber has been a major return on investment for us, and ultimately for you.

In line with our legislative work and keeping with tradition, our **Leadership Allegany Class of 2023** will be heading to Annapolis on March 7 and 8 for the State Government portion of the program. This two-day excursion has a packed agenda, including a brief meeting with the Senate President, Chiefs of Staff from a number of offices, a tour of the State House, dinner with our Allegany County Delegation, and more. Thank you to my co-chairs for this huge showcase, **Stu Czapski, Class of 1999**, and **Julie Westendorff, Class of 2019**.

Last week we sent an email about our **7th Annual Golf Tournament** to be held on Friday, May 5 at the Cumberland Country Club. It's *Cinco de Mayo* and we've selected a fun taco bar to feed our golfers after the tournament while we announce winners. We've also added a new fantasy golf scratch off game, and will continue with our other traditional features, a putting contest, closest

to the pin, holes in one, and a few guaranteed chances to win. Quite a few of our sponsorships are already sold – thank you to current gold sponsors **Verizon** and **AES Warrior Run**; silver sponsor **Timbrook Automotive** (Fred is providing the hole in one prize on hole 18 with a chance to win a car); and fantasy

golf scratcher sponsor **Rusco Home Improvement**, putting contest sponsor **Frostburg State University**, trip hole in one sponsor **American Rent All**, and our coffee bar sponsor **Somerset Trust Company**.

Our committees have been hard at work with the **Education Committee** preparing to make scholarship selections for the WCBC/FSU Student Salute, as well as honoring the Outstanding Business Students from the area. The **Transportation Committee** has had quite a bit going on behind the scenes. We are currently awaiting news on our request for grant funding through ARC, which would create an opportunity for the partners to release an RFP for a study and action plan to address Allegany County's transportation challenges and look to the creation of a multi-modal system for all. We have also been monitoring non-emergency medical transportation efforts at the legislative level, supporting SB511/HB596, the Human Service Transportation Improvement Act of 2023. Thank you to Chairwoman **Courtney Thomas-Winterberg**, who will be testifying in Annapolis on this bill. Also of interest related to transportation is a study on the MARC Train extension from Brunswick. A survey is currently available to help gauge interest in extending that line and can be accessed in a variety of ways through the County and Chamber social media channels.

The **Marketing Committee** is gearing up to start promoting our events and was awarded some marketing dollars this year to help us promote the Chamber. We will be taking advantage of this to help

with membership recruitment, and programs. In an effort to offer affordable advertising for our members, our banner display ads now have two full banners printed and we are working on a third. We have just a few \$500 spots left and several \$250 spots. We took these with us to *After Hours* in February and they looked fantastic on display, serving as a backdrop to our photos. With event season kicking off with *something special in April*, our goal is to complete banner three before the end of March so if you would like more

information, contact our office or visit our advertising page on the website.

Thank you for your ongoing support of the Chamber – it has allowed us to expand our reach and continue to find unique and creative ways to promote you!
