

The CHAMBER

ALLEGANY COUNTY, MD

Executive Director

We are busy wrapping up the year as the Annual Meeting will be held next week on Thursday, December 7 at noon at the Cumberland Country Club. If you haven't yet registered, please do so today. You will have an opportunity to hear from our various committee leaders, to vote for our new Board of Directors candidates, and to hear from Maryland Chamber of Commerce President & CEO Mary Kane. The final Chamber event of the year will be the following week on Thursday, December 14 at the Allegany Museum when we host the Member Holiday Reception thanks to our sponsors: ABC Supply, AES, Allegany Museum, Long & Foster, R.H. Lapp, Rusco Home Improvement, State Farm – Cathy Carpenter and Denny Delaney, and UPMC Western Maryland.

Last year we skipped our December newsletter and replaced it with an annual report, but we didn't want to miss an opportunity to provide some important flyers for upcoming events and highlights from November. We will provide our annual report again this year in the days following our annual meeting and are excited to share a snapshot of our year through photos and stats. It's been a productive year!

Our work would not get done without the support and guidance of an engaged Board of Directors and I want to thank them for their involvement. It has been a year of change as we prepared for the departure of our longtime Executive Assistant Peg McKenzie and the Board has provided tremendous

support as we have worked through managing the Chamber with just two staff.

Congratulations to Andrea Kraft who will soon celebrate her second full year with us. Andrea was hired as an administrative assistant, knowing that her skillset far exceeded what was needed at the time, which quickly allowed us to enhance our communications and marketing. With the retirement of Peg, I asked Andrea to step into new responsibilities while maintaining her existing role and I'm pleased to announce her promotion to Communications Manager. Thank you, Andrea, for your dedication to the Chamber, to the members, and to getting all the work done – you have certainly earned this, and you are a great asset to us.

As I mentioned, it has been a challenge to continue to maintain our day-to-day with just two staff, and we appreciate your patience. I certainly look forward to having additional help and we will post in January the job opening for an Office Administrator.

Lastly, I am excited to provide to you the ability to schedule either an in-person or Zoom meeting with me directly through the below links:

Ribbon cuttings are a great way to celebrate grand openings, business expansions, new products or services and major milestones for your business. Chamber staff will invite guests and bring everything needed to celebrate – including confetti and big scissors!

Ribbon cuttings can be booked at any time by contacting the Chamber at info@alleganycountychamber.com or by calling **301-722-2820**.

You can include refreshments if you wish and you can make the ceremony part of a larger open house that is available throughout the day. It's your special day – we just kick it off! Your ribbon cutting video is added to the Chamber's social media stories, a photo is posted and tagged, it is featured in the next month's newsletter, and we share with local media.

POSITIVE ATTITUDES CHANGE EVERYTHING

Mountain Maryland PACE 2024 www.mtmarylandpace.com

The Cumberland/Allegany County Industrial Foundation, Inc. (CACIF) and the Garrett County Development Corporation have proudly hosted PACE since 1977 in Annapolis. The 47th PACE Reception will be held on Thursday, January 18, 2024 at the Westin Annapolis followed by breakfast on Friday morning.

The cooperative effort is an opportunity to showcase and advance the communities of Mountain Maryland through education and discussion with state legislators and officials on local perspectives and issues.

You can display at PACE where there is limited available space to showcase businesses, attractions, educational institutions, organizations, and more. A display is a productive way to highlight your products, programs, and services while networking with officials in a friendly setting. Interactive displays are encouraged.

Sponsorship at PACE is another opportunity to showcase your business investments in Mountain Maryland. All sponsorships help to underwrite the event costs and are utilized to host the Governor's office, Cabinet members, General Assembly members, and state and federal officials.

Visit the PACE website for more information, to register, and for display and sponsorship opportunities.
