FROM THE PRESIDENT & CEO

Last month I shared that I was looking forward to our first Small Business Roundtable - and it did not disappoint! We had over 20 small business owners join us for positive and inspiring conversations - sharing challenges and solutions with one another. With such a motivated group, we are planning our next gathering for March and I encourage you to watch for info so you can join us if you have under 25 employees.

This month we'll be graduating our Leadership Allegany Rising Class of 2024 and we're introducing our first ever class speaker who will represent the class at graduation, sharing perspective of the experience. Our adult Leadership Allegany Class of 2024 will be heading to Annapolis on the 12th and 13th to get **fingers crossed** some face time with the Governor, a variety of leaders from the state and our own delegation.

Relentless LIKE A WOMAN

Facilitated by Dr. Elesha Ruminski, Professor of Communication Studies and Coordinator of Leadership Studies at Frostburg State University, Relentless: Like a Woman will feature a variety of speakers who have succeeded in their careers and personal lives through relentless pursuit of fulfilling their dreams.

Featured Keynote Speaker: Rhannon Brown, Queen City Creamery

Also featuring:

Dinah Barrera Wulf, DIY Inspired

Dr. Robin Wynder, Frostburg State University

KEEP IN MIND...

Collaboration fuels innovation and building strong connections within the business community can be a great way to find partnerships.

The Chamber is your source for connections, networking, and building relationships.

Thank You!

For coming in at our highest
sponsorship level!
