FROM THE PRESIDENT & CEO

Another successful Small Business Roundtable was held in March and we are looking forward to continuing with these important sessions. Watch for an April date!

If you haven't yet set up your GrowthZone account, or you're feeling unsure about how to use the tool, Andrea is hosting GrowthZone 101 each month with the next session scheduled for April 26 at 9am. This is a great opportunity to attend or to send a staff person who is responsible for managing your account to learn its function. Our Membership 101 sessions are open to anyone - new, long-time and even prospective members who want a deep dive into what Chamber membership looks like. Even if you've been a member for a long time, you might discover new information - next up is April 19 at 10am.

Registration and sponsorships for the 8th Annual Golf Tournament are due by April 16.

Our live competition for the National Civics Bee is coming up on Saturday, April 13 when we will choose three local kids to compete at the state level! Scroll on for lots more...
