FROM THE PRESIDENT & CEO

Happy New Year! We're kicking things off with announcing our fall 2025 international travel location to Tuscany! We'll host a virtual info session for this in the next few months. Try to join that Zoom session to explore whether this is a travel option for you, your friends and family.

We've added a way for you to tell us what you need, what you think, and how the Chamber is impacting you - check that out on page 2 in the bottom right corner where you can click to answer a unique question each month.

I hope you had an enjoyable holiday season. Chamber staff got some much-needed time off to recoup from a busy year and we are back, ready to dive in. Last year was filled with changes to our systems and how we run our day-to-day. As we make our way through this year, you will see opportunities for enhanced directory listings, new and unique ways to sponsor events, and some fun additions to our current events.

As I begin my fifth year with the Chamber, it continues to be an honor to have this opportunity. We appreciate each and every one of you and look forward to seeing you this year. First up is After Hours, hosted by Comfort Inn & Suites and Ledo Pizza - this is a first for us in January so we hope you'll join us! All of our event committees have been planning for 2025 and you can still get involved if you'd like to help!

Right around the corner our sponsorship portals open so check out page 5 for all the details!
