Boo!

FROM THE PRESIDENT & CEO

In this month's newsletter you will find our last chance to promote the UpNext event on October 28. We are looking for event booklet sponsors, event sponsors, and we still have room for you to purchase a booth. We've been asked if this is replacing our Business Showcase/Expo - YES, it is! We've lessened the cost to you, created workshops that are based on member feedback, and are hosting at Allegany College of Maryland where our participants will have an audience of both tradition and non-traditional students, faculty and staff. Worried you might get hungry? We've got a few food trucks for that!

You have until October 17 to purchase your space, but just until October 14 to place an ad for as little as \$25 - what?! Our workshops are filling up so follow the links on the flyers to get registered and make this a great day for your business.

Board of Directors Seeking Nominations

Do you want to be more involved with the Chamber? Have you worked with a Chamber member who would be a great candidate?

The Allegany County Chamber of Commerce is actively seeking individuals interested in being a member of the Board of Directors. Composed of 18 members, on third (six members) of whom are elected annually to serve in the volunteer role for three years.

Each candidate must be willing to meet the following criteria to be considered:

- Be an active member in good standing
- Serve as a member of the Board for a period of three years
- Attend all regularly schedule Board meetings (monthly), Orientation (December), and Strategic Planning Session (January)
- Serve on at least one active standing committee
- Attend Chamber events, such as After Hours, UpNext: A Business & Skills Exchange, Ladies Night Out, Golf Tournament, Crab Feast, Ribbon Cuttings, Business Recognition, and programs such as Leadership Allegany and Leadership Allegany Rising graduations, and the Outstanding Business Student Awards.
- Assist with and volunteer at Chamber events as needed

At the October 23rd, 2025 Board of Directors meeting, the Nominating Committee shall present to Chair Rob Collette a slate of at least six (6) nominees to serve three-year terms, to replace the Directors whose regular terms are expiring. Each candidate must have agreed to accept the responsibility of the directorship. Upon receipt of the Nominating Committee's report, the Chamber membership will be notified of the names of the individuals who have been nominated.

With the slate of nominees released, additional names of candidates for directors can be nominated by petition bearing the genuine signatures of at least five (5) qualified members of the Chamber.

Nominees will appear on the ballot to be voted on during the December 5th Annual Meeting.

For more information, please contact the Chamber office at 301-722-2820 or email Juli at juli@alleganycountychamber.com.

Alumni Spotlight

As a pillar program of the Chamber, we are proud to spotlight alumni of Leadership Allegany quarterly in the Chamber newsletter. Featured alumni are asked a series of questions about how the program impacted their personal and professional life.

Jim Lindner
Class of 2012

This quarter, we feature Jim Lindner from the Class of 2012.

What is your current role?

VP/Sr Relationship Manager – Business

What is your favorite memory from your Leadership Allegany experience?

My favorite memory was being together as a group and learning about the County. The level of education received from the Leadership Class was amazing. I was born and raised in Allegany County and learned of things that I never knew existed.

What advice would you have for future Leadership Allegany members?

Be open to learn. Be active in the class and soak in all that is being presented. Be willing to step out of your comfort zone to grow.

What is the most important thing you learned from the Leadership Allegany program?

The most important thing I learned in Allegany Leadership is the commitment of the locals to make this a great place to live. So many local folks give so much back to the community and truly this area.

Describe a rewarding moment in your career? It is difficult to single out just one rewarding moment as a commercial lender. I have been given a great opportunity at First People Community FCU to assist so many individuals to experience their dreams of being self-employed. I have been able to assist many businesses to purchase an existing business, start up a new business, to expand their facility or obtain new equipment and grow. It has been very rewarding.
